

02 Mar 2010

Dear Parents/Guardians,

The HINI Flu Vaccination will be administered at the school on Friday 5th March. If your child is having the vaccination you have the option to stay with them while the vaccination is being administered and for 15 minutes after the injection. If you have not previously filled in a consent form but would like your child to have the vaccination, please contact the school office for a form before Friday.

Reminder – school will be closing at 12:30pm Friday 5th March for a Staff Meeting.

Catherine
