

Dear Parents/Guardians,

21 Apr 10

Just a few reminders about some 'good practice' in the mornings:

- a) Try to use the drop down zone as drop down only (this is the area directly along the kerb facing the front door).
- b) Remember that your child's teacher starts work with the children at 9:10am. For infants this could be integration into social play time, which is very important for them. From 1st class up, this could be homework correction, or listening to reading.

While we welcome all parents to the classroom in the mornings, it is important to remember that it is not the appropriate time to engage the teacher in a conversation regarding your child's progress. If you need to speak to your child's teacher, please make an appointment with them for a proper discussion.

Catherine
