

Dear Parents/Guardians,

10 Jan 12

The 3rd term of 6 weeks swimming is starting next week, Wednesday 18th January, with Roisin's 1st Class & Louise's 2nd Class attending the pool for this term,

We really need at least two parents to volunteer for supervision in the changing rooms on each swim day. Volunteers would need to be available from 10:45am until 12pm. Garda Vetting forms are available (from the class teacher) to parents who wish to supervise. We would like to remind you of the child protection guidelines (on the website). Parents may not assist any other child except their own, unless they have permission from the parents of that child to do so.

Please add an extra drink to your child's lunch as the children are always very thirsty after swimming. Also, it is best if all clothes including towels are labelled. There will be a 'Lost Property' swim bag in school for parents to track down missing items. Children should wear manageable clothing e.g. track suits and shoes that are easy to manage, on the day. Can we also remind you, children are not to bring perfumed sprays of any kind.

The cost of the 6 week course is €38 including the cost of the bus, and we would like this to be paid to the class teacher as soon as possible.

Catherine
